Procedures

Students and parents should report to the Assunpink Center approximately 15 minutes prior to the scheduled start of their ceremony. MCTS Staff will direct spectator cars to their parking spots. Only one car per student can be accommodated. All spectators must remain in their cars for the duration of the ceremony. Students should report to the chairs which are located near the staging area. Teachers will sit with students. In the event of rain, students will remain in their cars and be called to the dais from their cars instead of from the student seating area.

Students, please dress appropriately in business casual attire.

Students will be called by class to the dais to be recognized. Teachers will announce the student names. Students will then cross to the dais and immediately return to their seats. Cars will be dismissed by staff in an orderly fashion upon completion of the ceremony. If you would like to take pictures after the ceremony, please report to an off-campus site for safety reasons.

Thank you and stay safe,

Gary Mattia, Assunpink Principal
