

James A. Fazzino, Ed.D.
Interim Superintendent

January 14, 2022

Dear MCTS Community,

MCTS will resume in-person instruction beginning Tuesday, January 18, 2022. We appreciate your patience, understanding, and cooperation thus far and look forward to providing quality teaching and learning for the remainder of the school year.

We will continue to make every effort to provide hands-on learning for our students in an in-person, academic setting. Our ultimate goal is to provide students with learning opportunities that will set them on the pathway towards higher education and to a prosperous and satisfying career in the future. Our dedicated staff looks forward to seeing your children in school on Tuesday.

If you have any questions on the return to school, please contact your building principal. If you have any questions on procedures and protocols for COVID-19, please contact your school nurses for further information.

Sincerely,

A handwritten signature in blue ink that reads "James A. Fazzino".
